

110V SITE TRANSFORMER 20KVA THREE PHASE

Connexion's 20kVA Site Transformer 110V Three Phase is designed to safely convert 415V AC three-phase power to 110V AC for heavy-duty industrial and construction applications.

PART NO: 10967

FEATURES

- ✓ Power: 20kVA
- ✓ IP Rating: IP44
- ✓ Cont. Rating: 20000VA
- ✓ Input Voltage: 415V AC Three Phase
- ✓ Intermittent Rating: 250000VA

TECHNICAL SPECIFICATION

Product	20kVA Site Transformer 110V Three Phase
Part No	10967
Input Voltage	415V AC Three Phase
Frequency	50/60Hz
LID	METAL
Case	METAL
Intermittent Rating	250000VA
Color	Yellow
Cont. Rating	20000VA
Output Voltage	110V AC Center Point Earthed
Certifications	CE, RoHS, UKCA
IP Rating	IP44
