

110V 30W LED ANTI-CORROSIVE EMERGENCY MAGNETIC LIGHT

Connexion's 110V 30W LED Anti-Corrosive Emergency Magnetic Light is a durable and energy-efficient lighting solution designed for indoor and outdoor use, especially in construction, industrial, and site environments.

PART NO: 10909B

FEATURES

- ✓ Power: 30W Corrosive Fitting
- ✓ Color Temperature: 6400K
- ✓ Battery: 6.4V 1800mAH Li-ion
- ✓ Voltage: 110V
- ✓ Plug: 110V 16A
- ✓ IP Rating: IP44
- ✓ Color: Black

TECHNICAL SPECIFICATION

Product	110V 30w LED Anti-Corrosive
Part No	10909b
Frequency	50/60Hz
Power	30Watt
Battery capacity	6.4V 1800mAh (LiFePo4)
Emergency time	3hrs (3watt)
Charging time	24hrs
Cable Length	1000 mm for each side of the light
Cable Size	1.5 MM ² 3 Core Cable -H05VV-F
Plug Type	1X 110V 16A Yellow Plug
Coupler Type	1X 110V 16A Yellow plug Coupler
Storage Temperature	-15°C- 60°C
Color temperature	6,400K
Body	PC Yellow
Life Time	30,000Hrs
Lumens	3,000lm
Luminous Efficiency	≥90Lm/W
