110V LED STRIP LIGHT 25M REEL 16AMP PLUG IP65

The 110V LED Strip Light 25m Reel IP65 with 16A plug (10906) provides energy-efficient lighting for construction sites, warehouses, and outdoor projects. Its 25m flexible strip and IP65 protection against dust and water make it suitable for illuminating large areas in demanding environments.

PART NO: 10906

FEATURES

- Plug: 16Amp
- Voltage: 110V
- Length: 25m
- Light Type: LED Strip

TECHNICAL SPECIFICATION

Product	110V LED Strip Light 25m Reel 16A
Part No	10906
Power	8 Watt per meter
Frequency	50-60Hz
Fuser	10Amp
Lumens per meter	900lm
LED	SMD 2835
Luminous Efficiency (Lm/W)	⩾85Lm/W
Input Voltage	AC 110V
Circuit Design	Built-in bridge rectifier, diode, IC
IP Rating	IP65
Safety Level	Class II
Safety Certificates	CE
RoHS Directive	Compliant
